"If the Son makes you free, you will be free indeed." (John 8:36)

Issue #18

*Dear Grace Prison Ministries Partners,*

Greetings! It is a great privilege to be part of what God is doing in the prisons. Thanks to all who partner with us in carrying out God's program. You have shown a sense of urgency to disseminate God's message through your continued support of our ministry. I would like to give additional thanks to Lockman Foundation, R.B. Thieme Bible Ministries, Victory Baptist Church, Albany Bible Church, and Daymond Duck for your support of our recent Prison Conference. It has been busy and sometimes trying here at Grace Prison Ministries but God is faithful. Trials are part of the Christian life and serve a greater purpose. Our Father God continues to provide the grace and the endurance to keep us moving in His direction.

Please accept my apology that some of you have not received donation receipts from us as you donate to our ministries. We are short-handed these days and things are taking longer to process than normal since I have to process them myself. My family and teaching schedule sometimes hinders me from processing things in a timely manner. Please know that I am so appreciative of your generosity and that you would even consider

us as your missionary organization to support. We do not take your support lightly. It is a big deal to us because without your support we could not disseminate the message of Jesus Christ. God is involved in this mission every day and we should be also.

Some of you also contributed to my recent trip to Israel. Thank you for blessing me and my ministry. You will not know in this life the full magnitude of my visit to Israel in my personal life and ministry. It was a life changing experience. I entered Israel at the age of 40 years old! I was expecting God to show up and show out as some people say. The most memorable moment was being on the Sea of Galilee and it started storming. It was also remarkable to see Israel back in the land thriving economically as scripture predicted. God is faithful even when we are unfaithful. I never knew that May 1948 was the fulfillment of

Biblical prophecy and I had the opportunity to stand in the room where Israel was declared as an independent nation.

In Ezekiel 36:10 God promised the Jewish people, **"I will multiply people on you, the whole house of Israel, all of it. The cities will be inhabited and wasted places rebuilt"** God also promised in verse 24, **"I will take you from the nations and gather you from all the countries and bring you into your own land"**. The stage is being set with the international re-gathering of the Jews in unbelief for the judgments to come during the future tribulation period. So, 1948 was a year to remember. The Jews have been returning in large numbers ever since. I would not be surprised if the new Jewish temple was rebuilt any day now because it will exist in the tribulation period according to Matthew 24:15-16. I think the rapture of the Church is near.

We have just finished our annual Bible conference in the prison. This is always a very encouraging time for the team and the inmates who get blessed with a wealth of love, grace, and Bible teaching. If any of you would like to join us one year, please send us an email. It is my prayer that you all have a wonderful holiday season and gear up for a New Year of opportunities to represent Christ in a way you never have before.

Yours in His service,

# OUR MISSION

Grace Prison Ministries Mission Statement in fulfilling the twofold mission of the "Great Commission" (Matthew 28:19-20) is as follows:

1. **EVANGELISM** - This includes winning the unsaved that are incarcerated but not limited to the saving knowledge of Jesus Christ through:
  - a) The presentation of the simple gospel message of faith alone in Christ alone for salvation to those incarcerated and abroad.
  - b) We will make the gospel as clear as possible, relying on the convicting ministry of the Holy Spirit, and leaving the decision to believe or reject to the individual.
  - c) We will use no gimmicks to win people to Christ.
2. **EDIFICATION** - Bring to spiritual maturity those who have put their faith in Jesus Christ for salvation by teaching them the Word of God so that they too can function as part of the body of Christ in furthering evangelism and edification. We do this in the following manner as God provides:
  - a) We provide Bibles as God provides to those who don't have one.
  - b) We teach sound doctrine in the prisons, in a local church setting, and through prison conferences.
  - c) We provide resources like Biblical books, recorded and written lessons.
  - d) We direct the believer to a local church upon release from prison.

In conjunction with these two primary missions, we also have the following objectives:

**EQUIPPING** - Start Bible Institutes in prisons providing resources for training, so the serious students of the Word of God can be trained for local church service and missionary work abroad especially in the prisons.

Assisting the needy as God provides and directs us - This may include but is not limited to:

- a) Provision of food
- b) Provision of clothing
- c) Transportation

**“You cannot build Christian Character through human energy. Christian Character is produced by the Holy Spirit in the Believer not by the Believer.”**

## Never Tune Out!

A former park ranger at Yellowstone National Park tells the story of a ranger leading a group of hikers to a fire lookout. The ranger was so intent on telling the hikers about the flowers and animals that he considered the messages on his two-way radio distracting, so he switched it off. Nearing the tower, the ranger was met by a nearly breathless lookout, who asked why he hadn't responded to the messages on his radio. A grizzly bear had been seen stalking the group, and the authorities were trying to warn them of the danger.

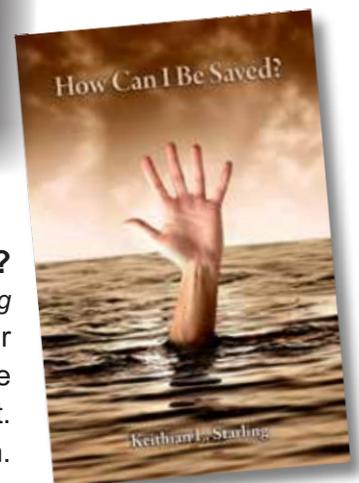

Any time we tune out the messages God has sent us, we put at peril not only ourselves, but also those around us. How important it is that we never turn off God's saving communication!

# OPERATION IMPACT LIVES TEAM RESPONSES

**OPERATION IMPACT LIVES 2019 TEAM**  
Lois DeBerry Special Needs Facility, Nashville, Tennessee

To Grace Prison Ministries:

This is a special thank you to Keithian Starling for the invitation to the Bible conference at the Lois DeBerry Special Needs Facility. Keithian did an outstanding job in the organizing of the conference. The speakers were outstanding. I enjoyed the one on one fellowship with the prisoners and especially their eagerness to learn and ask questions. I felt privileged to be a part of the conference. The inmates were very courteous, friendly and attentive to the message. The chaplain and guards were very cordial and friendly. I look forward to the next conference and hope to be a part of it.

Your brother in Christ,

*Jim Austin*

Victory Baptist Church

God used the Operation Impact Lives conference by Grace Prison Ministries to reach and impact the lives of the inmates at the Lois M. DeBerry Special Needs Facility in Nashville, Tennessee. It was apparent that the inmates were hungry for truth. Friday evening and all day Saturday into the evening the inmates learned about the plan of God. They were taking notes and asking many questions. Several of them took the teachers aside during the breaks to ask more questions. One inmate named John was seeking a better understanding of the idea of our Lord and Savior Jesus Christ's descent into Hades after His death on the cross.

Jim Austin showed him in his Bible where Abraham's bosom (paradise) is shown next to the place of torments in (Luke 16:19-31) which helped John better understand Acts 2:27 quoting Psalm 16:10. I had the opportunity to sit next to Matthew during a dinner that was provided by Grace Prison Ministries.

Matthew opened up to me and explained his life-long struggle with drug addiction. He told me he was recently saved but was struggling to understand his salvation. I encouraged him with 2 Cor 12:9 that states God's grace is sufficient. He was very encouraged not by me alone, but that the Holy Spirit had just recently put this verse before him in a study. I was thankful to hear confirmation that God the Holy Spirit was indeed working in and through these inmates, transforming them with the renewing of their minds in the scriptures. Praise be to God the Father, Son and Holy Spirit for their love and action through Operation Impact Lives and Grace Prison Ministries.

Grace Prison Ministries Team

In response to the recent prison conference that was held on October 25th and 26th, I thank Keithian Starling for the privilege to take part in the work that God is doing through his ministry in Nashville, Tennessee. It was a privilege to be part of a team that gave of themselves to serve THE LORD by sharing the Word of God with others. (Freely we receive; freely we give).

I was encouraged by the number of men who made the effort to come out and receive instruction in The Word and by their enthusiasm and knowledge of the Bible as well. These are men who wanted the truth. And they showed it by making the effort to come out and listen attentively to sound Bible teaching.

God, of course, made it all happen. My wife and I drove down to Nashville from Northeastern Pennsylvania. God provided us with great weather for traveling, safe traveling blessings, a vehicle that ran well, and great hotel accommodations along the way.

God empowered me, not only with a great message to communicate, but also the power to communicate it effectively, as He did the other men who took part in this conference. And God brought us home safely. GOD

GETS THE GLORY! I'm thankful for the privilege to be a part of it all. Was there a cost? Yes! There is always a cost. Serving The Lord should cost something. When Araunah supplied David with everything David needed to offer to The Lord free of charge, David replied, "I will surely buy it from you for a price, for I will not offer burnt offerings to The Lord my God which cost me nothing." It's an honor to sacrifice to The Lord and serve others. I'm thankful for the opportunity. And I look forward to future opportunities.

*The impact that the Lord has made through Grace Prison Ministries and our OPERATION IMPACT LIVES conference is evident by these statements from the inmates:*

---

---

...this conference was absolutely awesome. I have a better understanding of scripture as it relates to Isaiah 14 with Lucifer's fall from heaven and Adam's fall in Genesis 3. I appreciate the minister's enthusiasm and love for the word of God. God bless you all!

...I enjoyed the music, teaching, and fellowship. I learned about the plan and purpose of God along with His unconditional love. What impacted me the most is the love that you showed us.

...the conference was very uplifting. Jesus is the only way and the speakers were amazing...

.. It was a very organized conference and the speakers brought us the inspired Word of God. I now have a better understanding of end times prophecies. This conference gave me a more Biblical foundation, and taught me that once in Christ, we are always in Christ.

...This gathering was truly an act of God's love to me in a tangible and spiritual way. I learned how important it is to trust the Lord and His Word and that everything in this world system is nothing but God replacements. The love you brought me is what impacted me the most reminding me that it's the truth that sets us free, and only Christ can fill the void in our hearts. Thank you for showing me God's love and plan for my life.

...I really enjoyed how you broke the word of God down so we can understand. After lunch, the question and answer section impacted me and the discussion I had with Stephen.

...the conference was a blessing. It showed me that when I mess up I can ask for forgiveness and God welcomes me back and doesn't throw me away like a piece of trash.

... I loved the Word of God, and the worship. Thank God for His love and mercy. I was impacted by the love of God in all of you. God bless you for bringing the Word of God.

---

---

...The love of Jesus Christ impacted me and how He laid down His life as a sacrifice for our sins. Jesus and this conference have taught me a lot about myself and God.

...The conference was good. I like how the speakers and the worship music were intermixed. It helped me from getting bored. The projector allowed me to take good notes. The study about the angelic conflict impacted me the most.

...The love that was shown from the leaders of this conference impacted me the most. They displayed Christ's love.

...I wasn't sure about what to expect from this conference but I had a great time! I learned that even in our struggles God can still use it for His plan. I am thankful for people like you. You make me want to give back and help others. Thank you for the Bibles, notebooks, pens, your time, your money, the food, and I look forward to more conferences like this one.

...The team spoke from the Bible and answered our questions. I learned things I did not know.

...The conference was Holy Spirit filled, informative, and full of joy but too short. I could have sat another day being enlightened by Jesus Christ. I learned that now is the time to follow Christ, believe in Him, let Him lead my life, walk in obedience, and surrender to His will.

...I wish we had more of these conferences so I can grow in my faith and in the knowledge of God. God has a plan for my life but to know His plan I have to get into the Bible more.

...The time is now to get serious for the day of the Lord is upon us. It is not by our works that we are saved but our faith in the blood of Jesus. It impacted me to know that God has a plan for my life.

...The conference was very educational. God wants a relationship with us. His love for us is unconditional. God will never forsake us. We can only receive salvation by faith in Jesus Christ.

# SCENES FROM OPERATION IMPACT LIVES

In the Christian life there is no standing still. We are either advancing to the high ground of spiritual maturity or we are going backwards. Believers in Jesus Christ are either progressing spiritually or regressing spiritually.

The Christian life is a spiritual life. It is spiritual because it is a life influenced by the Holy Spirit instead of our old sin-nature, and it is a life influenced by the Word of God instead of

Satan's viewpoint about life.

The term "backsliding" is a word used in the Old Testament to mean a "turning away from". It speaks of someone who was close but chose to turn their back and walk away from God. Most of the time it is because of sin that one turns away from God or the commitment they once had. Other times it is because of success which often times causes us not to see our need of God. Let's take King Solomon for example. Solomon began His reign as a man who loved God and valued the will of God above all else. There was no compromising Biblical truth with Solomon. There was no greater thing to Solomon than making sure God was pleased. He followed the Lord closely as his father David had charged him earlier to do.

#### David's Charge to Solomon-1 Kings 2:1-4

When the time drew near for David to die, he gave a charge to Solomon his son. "I am about to go the way of all the earth," he said. "So be strong, act like a man, and observe what the LORD your God requires: **Walk in obedience to Him, and keep his decrees and commands, His laws and regulations,** as written in the Law of Moses. Do this so that you may prosper in all you do and wherever you go and that the LORD may keep his promise to me: **'If your descendants watch how they live, and if they walk faithfully before Me with all their heart and soul, you will never fail to have a successor on the throne of Israel.'**"

#### Solomon's Love for God

"Solomon loved the LORD, walking in the statutes of David his father." One night, the Lord appeared to Solomon and said, "Ask what I shall give you" (verse 5). In response, Solomon answered, "Give your servant therefore an understanding mind to govern your people, that I may discern between good and evil, for who is able to govern this your great people?" (Verse 9)

The passage notes, "It pleased the Lord that Solomon had asked this" (1 Kings 3:10). God delights to give wisdom to those

who truly seek it (Proverbs 2:6-8; James 1:5). God responds to Solomon's request for wisdom by promising three different gifts. The first is the wisdom Solomon had asked for: "I now do according to your word. Behold, I give you a wise and discerning mind, so that none like you has been before you and none like you shall arise after you" (verse 12).

1 Kings 4:29-34 records the details of Solomon's wisdom: "And God gave Solomon wisdom and understanding beyond measure, and breadth of mind like the sand on the seashore, so that Solomon's wisdom surpassed the wisdom of all the people of the east and all the wisdom of Egypt. For he was wiser than all other men, wiser than Ethan the Ezrahite, and Heman, Calcol, and Darda, the sons of Mahol, and his fame was in all the surrounding nations. He also spoke 3,000 proverbs, and his songs were 1,005. He spoke of trees, from the cedar that is in Lebanon to the hyssop that grows out of the wall. He spoke also of beasts, and of birds, and of reptiles, and of fish. And people of all nations came to hear the wisdom of Solomon, and came from all the kings of the earth, who had heard of his wisdom."

The second gift God gave Solomon was wealth and fame: "I give you also what you have not asked, both riches and honor, so that no other king shall compare with you, all your days" (1 Kings 3:13). Solomon would become known as the wealthiest king of his era.

The third gift God gave him was conditional—a long life based on Solomon's obedience: "And if you will walk in My ways, keeping My statutes and My commandments, as your father David walked, then I will lengthen your days" (1 Kings 3:14). After God made these promises, "Solomon awoke, and behold, it was a dream" (verse 15).

The first two gifts were unconditional. Solomon was known as a man of great wisdom (1 Kings 3:28) and as a king of great wealth and influence. But was Solomon known as an obedient king who experienced a long life? By the grace of God, Solomon reigned for 40 years (1 Kings 11:42), a long period for one king to reign. However, Solomon's obedience was mixed. He had many wives, including foreigners who influenced him to sacrifice to their gods. His great wealth also contributed to unwise excesses. Solomon began well, as his humble request for wisdom shows, but he later disobeyed God. Solomon was spared more severe punishment for the sake of his father, David (1 Kings 11:11-12). The Book of Ecclesiastes is a record of Solomon's backsliding life from his own account of life without God. All he found was Emptiness!

Every Christian must examine himself on a regular basis for warning signs of backsliding or departing from his commitment to Christ. Most of us start the Christian life well but certain

things cause us to turn away from God and go backwards in the Christian life. Just like King Solomon, our focus can change progressively from God and His will to the things of this world and sin.

Remember, Solomon walked in God's word, he built a temple, he was giving wisdom, and he wrote scripture yet sin caused him to turn away from God. He went from God focused to self focused.

### What were some of His errors?

- Solomon sinned but waited long periods of time before he would confess his sins to God and recover fellowship with God.
- God's word became less important with all the distractions.
- Solomon sought power.
- He compromised Biblical principles through his need for pleasure.
- He became tolerant of idolatry and sin.
- He became more concerned about himself than about God and his responsibility to the people to set a Godly example.

### What are some of our errors?

- Sins of the tongue, sins of the mind, and overt sins
- Seeking to please ourselves rather than God
- Seeking to please people rather than God
- Being too concerned about relationships that build our confidence in ourselves rather than seeking God to develop our confidence in Him so we may know ourselves in Him
- Our lust for power and influence
- Our tolerance of idolatry and sin in our midst
- Our rejection or neglect of serious time meditating on God's word
- Loving pleasure more than lovers of God
- Worried about too many things including money to pay our bills
- Close association with people who do not share God's viewpoint about life and how his people should live
- Self confidence instead of showing our dependence on God through prayer and the study of His Word...the Spirit is willing but our flesh is Weak!

My beloved in Christ, every day we are either building character or we are weakening in our character. We are going

forward to maturity or backwards to our old unbelieving lifestyle before we got saved. The Bible tells us that: "The backsliding in heart will have his fill of his own ways, but the good man will be satisfied with his". (Proverbs 14:14)

The fact of God's people turning their backs on Him is nothing new (Hosea 11:7) but God always promises blessing and reward if we will turn back. Our country, The United States of America, is a backsliding nation because many believers are backsliding in their walk with God. In order for things to turn around we must do our part in our individual spiritual lives or we are in trouble. Listen to the words that Jesus gave the Ephesus church in Revelation 2. I think it has a secondary application for us today in the Church Age.

"I know your deeds and your toil and perseverance, and that you cannot tolerate evil men, and you put to the test those who call themselves apostles, and they are not, and you found them to be false; and you have perseverance and have endured for My name's sake, and have not grown weary. **But I have *this* against you, that you have left your first love.** Therefore remember from where you have fallen, and repent and do the deeds you did at first; or else I am coming to you and will remove your lamp stand out of its place—unless you repent. (Revelation 2:1-5)

I remember when I first got saved. I was so in love with the Lord and His Word was my rule in all things. Association with those who did not share God's viewpoint was unheard of in my life. I didn't worry about how my needs were going to be met. I had complete confidence that if I put God first and did His will everything would fall in place. But over time I became distracted with the details of life and sin. God has been so gracious to me and my love for Him is there but every day is a battle to stay committed to Christ, His word, and the service He has called me to. It is my prayer that everyone who took the time to read this charge will examine their lives and priorities and let's return with all of our hearts to the Lord! Returning to Him means:

- Habitually confess sins when you fail.
- Pray more.
- Study the Bible more.
- Attend a Bible church more.
- Do not compromise! The Word of God has the final authority in all matters of faith and practice.
- Doing God's will as He reveals it in His Word is more important than our pleasures.
- Maintain holiness of life through application of God's Word.
- Be careful about close association with those who don't share God's viewpoint about life.
- Be more concerned about pleasing God instead of people.

*"If My people who are called by My name humble themselves and pray and seek My face and turn from their wicked ways, then I will hear from heaven, will forgive their sins and heal their land."* (2 Chronicles 7:14)

“ *The Christian life is very much like climbing a hill of ice. You cannot slide up. You have to cut every step with an ice axe. Only with incessant labor in cutting and chipping can you make any progress. If you want to know how to backslide, leave off going forward. Cease going upward and you will go downward of necessity. You can never stand still.* ”

— Charles Spurgeon

# What is **SIN**?

**Sin is ...anything that deviates from the character of God.**

**Sin is ...the transgression of the Law of God; breaking God's rules. (1 John 3:4)**

**Sin is ...knowing to do good but not doing it. (James 4:17)**

**Sin is ...anything not of Faith; not trusting God. (Romans 14:23)**

**Sin is ...when we ignore God. (Proverbs 24:9)**

## **DON'T FALL BACK INTO SIN!**

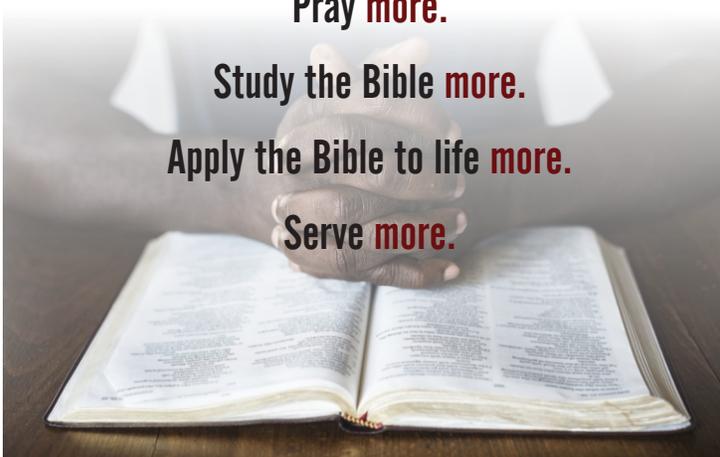

**Confess sins more.**

**Pray more.**

**Study the Bible more.**

**Apply the Bible to life more.**

**Serve more.**

## **Only One Way Out**

Wabush, a town in a remote portion of Labrador, Canada, was completely isolated for some time. But recently a road was cut through the wilderness to reach it. Wabush now has one road leading into it, and thus, only one road leading out. If someone would travel the unpaved road for six to eight hours to get into Wabush, there is only way he or she could leave---by turning around.

Each of us, by birth, arrives in a town called Sin. As in Wabush, there is only one way out--a road built by God himself. But in order to take that road, one must first turn around. That complete about face is what the Bible calls repentance, and without it, there's no way out of town.

As a "GRACE MINISTRY" Grace Prison Ministries doesn't plead, beg or even ask people to donate to us. We depend upon God to move others to support the ministry as they see fit. However, unlike more visible ministries such as churches or disaster relief ministries, our efforts are often unseen except by the prisoners which are our focus. Therefore it's necessary to outline our needs which explain how donations are used.

Travel up and down the South and East Coast by car and air uses a tremendous amount of funds. Mailings take a good bit of funding. Also just general maintenance of the ministry, office space, funding prison conferences (team travel and food, food for inmates, conference material), study bible purchases. Keithian's household expenses funded by his salary are also major expenditures. Printing publications take funding as well.

We must always remember God's Word in 1 Timothy 5:18: It is just as the Scriptures say, "Don't muzzle an ox when you are using it to grind grain." You also know the saying, "Workers are worth their pay."

Should God lead you to help in the funding of this ministry please note it is tax exempt which means you can deduct contributions given to it. Also, note there is no waste associated with maintaining Grace Prison Ministries. 100% of the donations go to getting the Word of God to those in prisons and jails, which is their only hope of leading productive lives.
